

Looking For

Energy, Focus & Endurance?

What People Are Saying

"I'm always looking for an extra boost... extra energy that helps me focus... I thought Triple FX was awesome."

- Eryn

"Keeps you going when the day's not over..."

- Megan

"I felt energized"

- Kei

"It gave me great energy and tastes great"

- Denton

"It got me going, got me energized..."

- Sean

"I feel great, I'm not tired, I have this new found energy... I love it... where can I buy it?"

- Kelly

We all want more energy – something to get us through the next workout or stay alert for the mid-afternoon slump at work, or maybe we just need to focus a little more clearly on the task at hand. If only there was a safe, healthy way to get an energy boost, a focus activator and a little more endurance to get through your workout.

Triple FX® goes beyond your ordinary energy drink. RBC scientists have created a unique formula that gives you the long-lasting energy and endurance you need while also enhancing your ability to focus and concentrate.

Triple FX contains unique ingredients, including the revolutionary RBC NanoClusters®, to optimize your productivity while helping you feel upbeat and alert. Whether you need energy for a big meeting, a sporting event, or a fun day with the kids, Triple FX will give you the endurance you need to live your life to the fullest!

What Professionals Are Saying

"Triple FX gave me the energy for a full 2½ hour workout!"

- Ivory "Papoose" Turner, Professional Bodybuilder

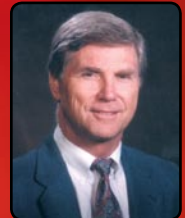

"As a working mom, I need all the energy I can get! Triple FX gives me lasting energy without the jittery feeling I get from coffee. Now I have energy all day, sleep great at night, and still have energy the next morning! No busy mom should be without Triple FX."

- Carolyn Marocco, RBC Nutritionist

"I have personally used Triple FX before my workouts and felt a definite energy boost."

- Leonard Smith, M.D.

"After taking the Triple FX energy drink, I felt the burst of energy within minutes."

- Jeff, Personal Trainer
